### **Glenmark Pharmaceuticals Standardizes on EXTEDO Electronic Submissions Management Solution Across Global Operations**

**West Chester, PA - June 23, 2009** – [EXTEDO](#), a key eSubmission solutions provider for life sciences firms, today announced that [Glenmark Pharmaceuticals Ltd.](#), a research-driven, global, pharmaceutical company, has selected the [eCTDmanager Suite™](#) for use across the organization.

The EXTEDO eCTDmanager Suite provides Glenmark Pharmaceuticals with an easy-to-use electronic management solution for building, viewing, validating, and publishing compliant submissions that meet global regulatory specifications.

“Glenmark Pharmaceuticals is a global entity that does business in over 90 countries. We needed a flexible submission solution that could handle the complex filing requirements mandated by regulators in different geographies,” stated William McIntyre, Vice President of Regulatory Affairs at Glenmark. “The EXTEDO solution exceeded our selection criteria and provides us with a scalable solution that we can roll out across the organization.”

“We are looking forward to working with Glenmark and helping them deploy eCTDmanager in their facilities located in India, Europe, South America, and North America,” said [Andreas Suchanek](#), Managing Director for EXTEDO.
